Portland, OR. ([PRWEB](#)) May 4, 2009 -- ChefzTable.com announced today that it has been recognized as one of the top 200 mom-owned businesses in StartupNation's 2009 Leading Moms In Business Competition (<http://www.startupnation.com/leading-moms-2009>). The competition, sponsored by VerticalResponse, recognizes the achievements of mothers across the country who run outstanding businesses.

[ChefzTable.com](#) Website Makes Finding a Personal Chef, Caterer or Cooking Class Simple. A national Chef Referral Network helps busy professionals and families connect with real chefs who will cook for them, provide an in home cooking class or finding a caterer for a big event. Easy, affordable and a lot of fun, ChefzTable.com helps people explore their inner Chef!

"Personal chefs provide a multitude of exciting services, from providing families with high-quality fresh and healthy home cooked meals to providing cooking classes to individuals and small groups. It's time to get re-acquainted with your kitchen" said Ashlee McCusker of ChefzTable.com. "Too often families are too busy to cook body-friendly, tasty food. With ChefzTable.com, they can have a real chef come and cook mouth-watering meals for them so they can stop resorting to unhealthy fast food or unnatural convenience food. For about the same price you would spend eating out on a monthly basis, our Chefs are there for you to answer that timeless question - What's for dinner?"

Cooking for one, or many, can & should be an enjoyable experience, [ChefzTable.com](#) offer options for everyone. Our chefs will use local, organic, seasonal and sustainable ingredients when possible. You can rest assured that your Chef will work with you on getting the healthiest foods in your region.

"Moms across America were honored in this year's ranking, showing that they're capable of starting and running successful businesses while managing to balance family, career, home and self," said Rich Sloan, co-founder of StartupNation. "Well over 600,000 votes were cast in support of several thousand contestants. What an incredible achievement to be named a winner, and what an inspiration for anyone looking to start their own business."

"It's challenging for anyone to start and run a successful business - particularly in this economy. These women are setting the standard for innovation and creativity," said Janine Popick, founder and CEO of VerticalResponse.

[StartupNation](#) launched the first annual Leading Moms in Business Competition in January with the support of <http://www.verticalresponse.com> to recognize the achievements of mom entrepreneurs across the US. Winners were selected and ranked according to public votes accumulated from January through March, 2009. The elite 200 win bragging rights, promotional support, and digital winner's emblems recognizing their achievements as the Leading Moms in Business.
